INTRODUCTION

1.1. Background

- 1.1.1. The Governor of Telangana represented by the Chief Secretary, Govt. of Telangana having its principal office at Central Secretariat, Khairatabad, Hyderabad, Telangana 500004 is engaged in providing vocational trainings for the upgradation of industrial production, services, productivity and innovation, contributing to the planned growth of the country's economy through the development of Industrial Training Institute(s) (“ITIs”).
- A. The Industrial Training Institutes (ITIs) in India provide vocational education and training across a range of technical and non-technical disciplines. Since their inception in the 1950s, ITIs have served as the foundation of the country’s vocational training ecosystem, equipping students with industry-relevant skills in areas such as manufacturing, construction, electronics, automobiles, and information technology. These institutions are instrumental in meeting the skilled workforce requirements of various industries. Recognizing the significant role of ITIs in national development, the Government of India has launched a comprehensive initiative aimed at upgrading and expanding vocational training. The National Scheme for ITI Upgradation aims to upgrade the ITIs (as listed in Appendix- VI hereof) through PPP mode.
- B. The National Scheme for ITI Upgradation envisages upgradation of 1,000 ITIs in a Hub and Spoke Model in partnership with industry partners through PPP mode. The curriculum will be updated to align with industry demands, and new courses will be introduced to address evolving skill needs. The primary model for implementing the scheme will be industry led, wherein, a Special Purpose Vehicle (SPV) will be formed to implement the scheme at the cluster level.
- C. The Centre shall establish a dedicated National Steering Committee (NSC) to oversee the scheme, coordinate with State/UT Governments, and monitor implementation through State Steering Committee (SSC). This committee will serve as the main decision-making body to ensure smooth execution. The NSC, chaired by the MSDE Secretary, could include senior officials from NCVET, DGT, states/UTs, other relevant ministry officials (e.g., Ministry of Education, Ministry of Heavy Industries, Ministry of Commerce and Industry, Ministry of Labor and Employment etc.), and key members of academia and industry. The NSC will have overall responsibility for all the activities under the PM SETU scheme through NPMU at office of DGT. The SSC will oversee the implementation of the scheme at the state level through SPMU at the respective state directorates. The SSC will be chaired by the Chief Secretary of the State and will include higher officials from other state departments and members from technical fields, vocational training and industry organizations.
- D. The selection process for ITIs that would be upgraded under the scheme could entail among other following stage wise activities: -

- States will define initial state-specific eligibility criteria for shortlisting of ITIs.
- They will undertake a preliminary shortlisting of ITIs based on the minimum criteria defined by the Government of India (example: labs and infrastructure, structurally sound buildings, availability of space etc.) along with the initial state-specific criteria for shortlisting

• States to identify clusters basis industry preferences and technical and financial feasibility studies
• States will identify key inputs required from industry partners to ensure successful implementation of the scheme - including state-defined ITI shortlisting criteria, criteria thresholds for identification of hubs and spokes, preferences for ITIs and clusters, sectoral focus and trades to be offered, parameters for cluster identification, suggestions for cluster feasibility studies, and required characteristics to guide cluster profiling.
• States to finalize state-defined selection criteria basis assessment of industry inputs received • States to undertake final shortlisting of ITIs based on both minimum eligibility criteria defined by Center and additional state-defined criteria • States to finalize list of clusters

- E. Telangana: There are 65 Government ITIs in the state of Telangana which are administered by the Directorate of Employment and Training (DET) under Labour, Employment, Training & Factories Department (LET & F), Govt. of Telangana. The cluster proposed now Consists of 1 Hub ITI (Govt. ITI Medchal) and 4 Spoke ITIs of 1. Govt. ITI Shamirpet 2. Govt. ITI Alwal 3. Govt. ITI Kukunoorpally 4. Govt ITI Siddipet
- F. .
In the cluster, the Hub ITI shall specialise in high-end precision electronic equipment, geospatial equipment manufacturing trades, while the spoke ITIs provide foundational courses feeding into the Hub ITI. Guidelines of the Department of Disinvestment

(Refer Clause 1.2.1)

No. 6/4/2001-DD-II

Department of Disinvestment, Government of India

OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like Net Worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

- (a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory DET that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government of India.
- (b) In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/ persons.
- (c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.
- (d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.
- (e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.
- (f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.
- (g) Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory DET is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency,

the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
