Subject: Final Show cause notice for de-affiliation of 614 ITIs whose 100% seats are lying vacant from the last 3 years (2022 to 2024) - regarding

Ref.: Show Cause Notice Order No: DGT-Aff011(47)/2/2022-O/o DIR (TC) (Part-1) [E-71042] Dated: 22.04.2025.

Dear Principal,

Your attention is invited to the subject cited above.

2. It has been observed that several ITIs have recorded zero admissions continuously from the academic sessions 2022 to 2024, thereby remaining completely non-operational for four consecutive years. As per the provisions contained in the DGT letter No. DGT-12/01/2018-TC (Part) dated 20.12.2018, any trade/unit having zero admissions for two consecutive years is liable for de-affiliation. Accordingly, such ITIs fall within the purview of de-affiliation.

4. In order to sanitize the data on the SIDH portal, the DGT conducted an analysis which revealed that approximately 669 ITIs, comprising 4,718 units with an aggregate seating capacity of about 99,196 seats, have remained vacant without admitting a single trainee for the past three academic years (2022–2024). These 669 ITIs are therefore liable for de-affiliation as per the provisions of the DGT order dated 20.12.2018.

5. In adherence to the principles of natural justice, the DGT had earlier provided an opportunity to these 669 ITIs to submit their grievances on the NIMI portal from 22.04.2025 to 22.05.2025 against the proposed de-affiliation vide the order dated 22.04.2025 referred above. However, in response to the said notice, out of the 669 only 19 ITIs submitted grievances on the portal. The non-submission of grievances may be construed as acceptance of the proposed de-affiliation.

6. It may be noted that the currently 614 ITIs out of 669 ITIs have remained non-functional for the past three years (2022–2024) with 100% vacant seats, also in the session 2025 clearly indicating that the institutes are not willing or able to continue training activities. Such persistent vacancy adversely affects the overall admission percentage across the ITI ecosystem. **Accordingly, these 614 non-functional it is(list attached) are liable for de-affiliation as per the DGT order dated 20.12.2018.**

7. However, in adherence to the principle of natural justice, a second and final opportunity is hereby granted to these 614 ITIs to submit any genuine grievance, if any, through the NIMI Grievance Portal (<https://nimionlineadmission.in/iti/GrievancePortal/register.php>). The portal shall remain active for 20 days from the date of issue of this notice. It is further clarified that:

(i) Grievances submitted in any form other than through the portal shall not be considered.

(ii) The reply must be comprehensive and supported with relevant documents, including proof of operational address and geo-tagged photographs of the infrastructure and location.

(iii) Grievances received after the prescribed timeline shall not be entertained.

(iv) Failure to submit a grievance within the stipulated period shall be treated as deemed acceptance of de-affiliation, and no further representation will be considered thereafter.

8. In cases where grievances are received, the DGT will conduct physical inspections through the NIMI Affiliation Portal to verify infrastructure, including building facilities, tools, equipment, and overall working conditions, before permitting fresh admissions.

9. This issues with the approval of the competent authority.

Yours faithfully,

(Sunil Kumar Gupta)
Deputy Director General
