To

The concerned RDSDEs and State Directors

Subject: Joint Inspection for 42 ITIs with Zero Admissions from 2022 to 2024/2025 -reg.
Ref: File No. DGT-Aff011(47)/2/2022-O/o DIR (TC) (Part-1) [E-71042] dated 22.04.2025

Sir/Madam,

As you are aware, the Directorate General of Training (DGT) has de-affiliated approximately 4.5 lakh seats which remained continuously vacant between 2018-2023 after comprehensive consultations with all stakeholders.

2. Further, 669 ITIs have been identified wherein all seats remained vacant without a single admission from 2022 to 2024. In adherence to the principles of natural justice and procedural fairness, a show-cause notice was issued on 22.04.2025 to submit their grievances within 30 days as referenced above. In response to the show-cause notice, 19 ITIs have formally submitted their grievances. However, it has been observed that 23 ITIs have taken admissions in session 2025 without raising any grievances within stipulated timeline.

3. Given that 42 ITIs (19+23 ITIs) have been non-operational for three consecutive years from 2022 to 2024, verification of their infrastructure and machinery conditions as per norms is imperative. Accordingly, a joint inspection by the Regional Directorate of Skill Development and Entrepreneurship (RDSDE) and the respective State Directorate must be conducted within three weeks.

4. The RDSDE is requested to create inspection batches on the NIMI affiliation portal in consultation with the State Directorate and complete the joint inspection through the NIMI online application. The comprehensive inspection report must be submitted within **three weeks** from the issue of this letter.

5. During the joint inspection, the following parameters shall be thoroughly verified:

- (i) Compliance of ITI infrastructure (Land, Building & its condition, Space, etc.) with prescribed norms
- (ii) Energy load sanction and current operational status
- (iii) Working condition of all machinery and equipment as per norms, with mandatory videography to be uploaded in the NIMI inspection application
- (iv) Availability of qualified instructors for each unit of affiliation as per established norms
- (v) Availability and condition of laboratories, workshops, and classrooms in accordance with DGT norms
- (vi) Documentation of all evidence and recommendations in the NIMI inspection application
- (vii) Adequate notification (minimum one week) to respective ITIs (listed in Annexure-A) prior to inspection

6. The RDSDE is required to create inspection batches on the NIMI inspection portal **within 5 days** from the date of issue this letter. The allocated batch IDs must be communicated via email to **section-tc2022@dgt.gov.in**.

This issues with the approval of the competent authority.

Encl. as above

Yours faithfully

(Sunil Kumar Gupta)
Deputy Director General
