Sub: De-Affiliation order of trade/units of Private ITIs of Rajasthan State- regarding.

Madam/Sir,

This is in reference to the Minutes of the 9th and 10th meetings of the State Skill Development and Entrepreneurship Committee (SSDEC), Rajasthan, held on 17.09.2025 and 23.09.2025, respectively, wherein de-affiliation of trades/units of Private ITIs was recommended and subsequently forwarded to DGT. These matters were considered by the SCAA in its 25th meeting held on 13.11.2025 and 14.11.2025, wherein, in accordance with the principles of natural justice, the concerned ITIs were provided a final opportunity to submit a show-cause reply within 21 days from the issuance of the minutes, indicating why the proposed de-affiliation should not be effected. Accordingly, the replies received were examined by the SCAA in its 27th meeting held on 06.03.2026, and a decision regarding affiliation/de-affiliation was taken.

The ITIs in respect of which the replies were either not found satisfactory or were not received within the prescribed time period have been decided to be de-affiliated. The ITI-wise decisions of the SCAA are enclosed at **Annexure-I**. Further, the concerned institutes and the State Directorate shall ensure that trainees already enrolled in previous sessions are allowed to complete their training. No fresh admissions shall be made in these ITIs.

Any grievances regarding the de-affiliation orders may be raised through the NIMI portal (<https://nimionlineadmission.in/iti/GrievancePortal/register.php>) within 30 days from the date of issue of this letter. Grievances submitted after this period will not be considered.

These orders shall be read in conjunction with the Minutes of the 27th SCAA.

Further, reliance is placed on various judgments of different High Courts which affirm that state or DGT may conduct inspections and take appropriate action. Notably, in W.P. No. 8116/2025 (Maa Shitla Pvt. ITI v. Union of India & Ors., MP High Court), it was held that the apex body is duty-bound to examine complaints, including through on-site inspections, and such action cannot be termed arbitrary. Similarly, in CWP-20763-2025 (Modern ITI Bathinda v. DGT, Punjab & Haryana High Court), the Court observed that re-inspection does not prejudice the petitioner. Further, in S.B. Civil W.P. No. 18022/2025 (Pooja Pvt. ITI & Ors. v. State of Rajasthan & Ors.), the Rajasthan High Court held that institutions cannot claim inspection as a matter of right in a particular manner or timeline, and compliance with deficiencies is a prerequisite for student admissions.</p>

In its reply the ITI submitted the following: The Hon'ble court justice order dated 09.04.2021 and requested not to pass any adverse against the ITI failing which the institute would be free to challenge this order by the way of WPC in Hon'ble Rajasthan High Court.</p>	<p>in W.P. No. 8116/2025 (Maa Shitla Pvt. ITI v. Union of India & Ors., MP High Court), it was held that the apex body is duty-bound to examine complaints, including through on-site inspections, and such action cannot be termed arbitrary. Similarly, in CWP-20763-2025 (Modern ITI Bathinda v. DGT, Punjab & Haryana High Court), the Court observed that re-inspection does not prejudice the petitioner. Further, in S.B. Civil W.P. No. 18022/2025 (Pooja Pvt. ITI & Ors. v. State of Rajasthan & Ors.), the Rajasthan High Court held that institutions cannot claim inspection as a matter of right in a particular manner or timeline, and compliance with deficiencies is a prerequisite for student admissions.</p> <p>4. In addition, adherence to DGT norms is essential to ensure quality vocational training and safeguard students' interests. Based on the findings of the joint inspection, the SSDEC, in its 9th meeting held on 17.09.2025, has recommended for de-affiliation.</p> <p>8. Further, the matter was discussed in the 25th SCAA Meeting and ITI was given an opportunity to show cause why it should not be de-affiliated, within 21 days from the date of issuance of the minutes. However, no reply was received within the prescribed time period.</p>	<p>4. Further, the ITI did not avail the opportunity provided and failed to submit any reply or representation within the stipulated time.</p> <p>5. Further, reliance is placed on judicial pronouncements which affirm that DGT and the State Directorate are empowered to conduct inspections and take appropriate action in case of non-compliance. Notably, in W.P. No. 8116/2025 (Maa Shitla Pvt. ITI v. Union of India & Ors., MP High Court), it was held that the apex body is duty-bound to examine complaints, including through on-site inspections, and such action cannot be termed arbitrary. Similarly, in CWP-20763-2025 (Modern ITI Bathinda v. DGT, Punjab & Haryana High Court), the Court observed that re-inspection does not prejudice the petitioner. Further, in S.B. Civil W.P. No. 18022/2025 (Pooja Pvt. ITI & Ors. v. State of Rajasthan & Ors.), the Rajasthan High Court held that institutions cannot claim inspection as a matter of right in a particular manner or timeline, and compliance with prescribed norms is essential.</p> <p>Accordingly, based on the facts on record, the denial of inspection, absence of staff, and use of the premises for other activities prevent verification of the functioning of the ITI and indicate non-compliance with the prescribed norms. The ITI is hereby de-affiliated.</p>

On the contrary, reliance is placed on various judgments of different High Courts which affirm that state or DGT may conduct inspections and take appropriate action. Notably, in W.P. No. 18022/2025 (Pooja Pvt. ITI & Ors. v. State of Rajasthan & Ors.), the Rajasthan High Court held that institutions cannot claim inspection as a matter of right in a particular manner or timeline, and compliance with deficiencies is a prerequisite for student admissions. 4. No. 18022/2025 (Pooja Pvt. ITI & Ors. v. State of Rajasthan & Ors.), the Rajasthan High Court held that institutions cannot claim inspection as a matter of right in a particular manner or timeline, and compliance with deficiencies is a prerequisite for student admissions.</p> <p>6. The quality of training imparted to students is of paramount importance to DGT, which cannot be ensured without on-site verification of the institute. The non-submission of a reply and refusal to undergo inspection clearly indicate that the ITI is not functioning in accordance with the prescribed norms, thereby defeating the very purpose of the Craftsmen Training Scheme (CTS).</p> <p>Therefore, in view of the above remarks and in the interest of the trainees, the ITI is hereby de-affiliated.</p>

The ITI refused to undergo the inspection stating that it was under a strike declared by the State-level ITI Association.</p> <p>6. The matter was discussed in 9th SSDEC meeting held on 17.09.2025 and the SSDEC meeting recommended de-affiliation of the ITI due to its refusal to undergo inspection.</p> <p>7. Further, the matter was discussed in the 25th SCAA Meeting and ITI was given an opportunity to show cause why it should not be de-affiliated, within 21 days from the date of issuance of the minutes. No. 8116/2025 (Maa Shitla Pvt. ITI v. Union of India & Ors., MP High Court), it was held that the apex body is duty-bound to examine complaints, including through on-site inspections, and such action cannot be termed arbitrary. Similarly, in CWP-20763-2025 (Modern ITI Bathinda v. DGT, Punjab & Haryana High Court), the Court observed that re-inspection does not prejudice the petitioner. Further, in S.B. Civil W.P.
