the ITI was considered by State Directorate.

The ITI has submitted following replies:

- a) For sessions 2022-24, 2023-25, and 2024-26, there has been **zero (0) enrolment** in all units of all trades. This was previously informed via institute letters dated 11/11/2024, 03/01/2025, and 22/05/2025, as well as to the District Officer, Sitamarhi.
- b) The land and building are on **lease**, which expires on **28/02/2026**. After the lessor's death, heirs are unwilling to extend the lease for ITI operations.
- c) Previous letters already requested **surrender of affiliation** for all trades/units due to inability to continue post-lease expiry.
- d) As per DGT Training Calendars 2024 and 2025, units with zero enrolment for two consecutive sessions cannot admit students without affiliation. Consequently, no admissions occurred in 2024-26 or ongoing 2025-27 session. Post-lease expiry, the institute is unable to seek affiliation or continue training.
- e) Since 2022, with zero trainees, no regular training is ongoing, hence no raw materials or instructors were available in the workshop. This was informed to the joint inspection team on 21/02/2025. The ITI has submitted Land documents and electricity bills.
