3. **To discuss the VIP reference in respect of N.S Private ITI (PR10000369) of Bihar State.**

Brief of matter: The D.O letter dated 11.02.2026 addressed to the Hon'ble Minister of State (Independent Charge) for Skill Development and Entrepreneurship has been received from Hon'ble Shri Radha Mohan Singh, Member of Parliament, wherein the letter of N.S. Private Industrial Training Institute (PR10000369), Patna, Bihar has been forwarded for grant of affiliation.

The said ITI was recommended for de-affiliation by SSDEC, Bihar, and the matter was placed before the 21st SCAA meeting held on 28.04.2025. Further, as per DGT letter dated 19.12.2019, all ITIs were directed to function as 'self-centers' for conducting practical examinations of their own trainees under the All India Trade Test with effect from January 2020. However, the said ITI expressed its inability to function as an examination center, citing lack of infrastructure and inadequate training activities, which is in contravention of the prescribed norms. Moreover, the ITI was not complying with the affiliation standards, and the following deficiencies were observed:

- Repair and maintenance work of the ITI building was in progress.
- Tools and equipment for the Electrician trade were not as per norms.
- Renovation of the drawing hall and library hall was ongoing.

- No trainees were present in the classroom or workshop on the day of inspection.
- The IT lab was not as per prescribed norms.
- Tools and equipment had been shifted elsewhere due to renovation work.

TC remarks: The ITI was de-affiliated vide DGT letter dated 13.06.2025 due to non-fulfilment of affiliation standards and norms.

Subsequently, the matter was also examined by the Grievance Redressal Cell (GRC), which decided that the institute may apply afresh for affiliation through the Affiliation Portal, subject to fulfilment of all prescribed norms and standards.

Meeting ended with vote of thanks to Chair and other participants.
