Subject: Issuance of De-Affiliation Order of Aditya Raj Private ITI (PU23000491) of Madhya Pradesh State as discussed in 32nd Standing Committee on Accreditation and Affiliation in its meeting dated 02.07.2026 and 03.07.2026- regarding.

Madam/Sir,

As decided in the 32nd Standing Committee on Accreditation and Affiliation (SCAA) meeting held on 02.07.2026 and 03.07.2026 , the de-affiliation matter for Aditya Raj Pvt. ITI (PU23000491) of Madhya Pradesh State was discussed as Agenda Item No.5(2) of the Meeting.

2. Based on the joint inspection reports, the 32nd SCAA recommended de-affiliation of trades/units of Aditya Raj Private ITI w.e.f. session 2026-27, and same has been approved by the Competent Authority. The details and brief of the matter of the ITI is attached at **Annexure - I**.
3. The recommendation of de-affiliation of trades & units of ITIs, as mentioned in attached list must be read in conjunction with the Minutes of 32nd SCAA meeting issued on 22.07.2026.
4. The ITIs and the State Directorate shall ensure that all the trainees who were already enrolled in the previous sessions, complete the training duration and no fresh trainees are admitted.
5. However, the ITI may apply a fresh application for affiliation in accordance with the Affiliation Norms, 2025, subject to fulfilment of all applicable eligibility conditions and procedural requirements.

This issues with the approval of Competent Authority.

Encl.: As mentioned

भवदीय,

(केतन पटेल)

Matter of Aditya Raj Pvt. ITI (PU23000491) of Madhya Pradesh State in compliance with the Hon'ble Court judgement dated 24.04.2026 passed in "WRIT PETITION No. 12423 of 2026 ADITYARAJ PRIVATE I.T.I. THROUGH ITS DIRECTOR Versus THE UNION OF INDIA AND OTHERS 16166/202" at Madhya Pradesh High Court-Gwalior bench-reg

Brief of the matter :

1. The de-affiliation proceedings were initiated on the basis of a complaint received against the petitioner institute. Accordingly, a Show Cause Notice was issued on 08.04.2021. Upon consideration of the reply submitted by the petitioner, a joint inspection was scheduled and conducted on 13.03.2025. However, the petitioner subsequently disputed the findings of the said inspection.

2. Thereafter, a fresh joint inspection was conducted on 11.09.2025, wherein it was observed that the petitioner had shifted the institute to a different location without obtaining the requisite approval/affiliation from DGT. The inspection team also reported various infrastructural deficiencies. Based on the findings of the inspection, the 11th State Skill Development and Entrepreneurship Committee (SSDEC), in its meeting held on 15.09.2025, recommended de-affiliation of the institute.

3. The matter was thereafter placed before the 26th Standing Committee on Accreditation and Affiliation (SCAA). While considering the recommendation of the 11th SSDEC and the findings of the inspection report, the SCAA afforded the petitioner a final opportunity to submit its representation regarding the unauthorized shifting of the institute and the deficiencies observed during the inspection before any final decision on de-affiliation was taken.

4. That the Hon'ble High Court vide its judgement dated 24.04.2026 disposed of the petition 12423/2026 inter alia, directed the respondent DGT to decide the matter. The relevant paragraphs of the judgment are reproduced below for ready reference:

"Having heard learned counsel for the parties and considering the limited nature of the relief sought by the petitioner, this Court is of the view that the ends of justice would be met if the petitioner is afforded an opportunity to respond to the alleged deficiencies. Accordingly, without expressing any opinion on the merits of the case, the present petition is disposed of with a direction to the respondent authorities to communicate to the petitioner the deficiencies, if any, forming the basis of the impugned recommendation within a period of two weeks from the date of receipt of a certified copy of this order. Upon such communication, the petitioner shall be at liberty to submit its reply/explanation within such time as may be granted by the authorities. The respondent authorities shall thereafter consider the reply so submitted by the petitioner and take an appropriate decision in accordance with law, after affording an opportunity of hearing to the petitioner."

5 Another writ petition, being W.P. No. 40562/2025 titled Aditya Raj Private ITI v. Union of India & Ors., has also been filed before the Hon'ble High Court of Madhya Pradesh, Gwalior Bench. In the said petition, the petitioner has sought a direction to the respondents to pass a formal order on its application for change of address of the Industrial Training Institute, which was originally submitted in the year 2016 before the Quality Council of India (QCI) vide Application No. A16003825. The matter is presently pending adjudication before the Hon'ble Court. The petitioner has been granted liberty to file a rejoinder to the reply submitted by the respondents.

6. In compliance with the judgment dated 24.04.2026 passed by the Hon'ble Court, a copy of the inspection report was shared with the petitioner institute on 07.05.2026. In response, the petitioner submitted its representations vide emails dated 29.05.2026 and 15.06.2026. The brief deficiencies observed during the inspection dated 11.09.2025 and the additional observations made by the 26th SCAA, along with the reply submitted by the ITI and the scrutiny undertaken by the DGT, are tabulated below:

S.No	Remarks of 26 th SCAA and petitioner's reply	Remarks from DGT	32 nd SCAA Remarks
1	Shifting its institute to another unaffiliated location without following the norms Petitioner's submission: The ITI was originally established at <i>Bajranggarh Bypass Road, Guna</i>. Due to issues with the rented premises, the institute shifted to a self-owned building in 2016. An application no. A16003925 for shifting was submitted to QCI in 2016 along with the prescribed fee. The new address was updated on the NCVT MIS portal in 2019. The institute submitted that an inspection regarding the shifted premises was conducted in 2021 and the affiliation was subsequently restored. Therefore, the ITI claimed that no deficiency exists regarding the change of address.	The petitioner failed to furnish any reply or explanation regarding the issue of shifting the institute to a new location without obtaining the requisite prior approval from the competent authority. The petitioner has admittedly shifted the institute to another location without obtaining an affiliation order permitting such shifting. The petitioner has sought to justify its action by contending that its application for shifting, submitted before the Quality Council of India (QCI) in the year 2016, is still pending for consideration. The said contention is wholly misconceived and factually incorrect. It is submitted that the Quality Council of India (QCI) was entrusted by the DGT with the responsibility of carrying out accreditation of Government and Private Industrial Training Institutes (ITIs) for a period of four years with effect from 01.09.2012. The Memorandum of Agreement (MoA) executed between DGT and QCI expired on 31.08.2016. Upon expiry of the MoA, QCI reported that 1,259 applications/proposals were pending for accreditation/further processing for affiliation. Out of these, 371 applications, including that of the petitioner, were found unfit for review/re-visit as the petitioner itself had refused inspection, as recorded in QCI's letter dated 10.10.2017. It is further submitted that, in order to resolve all pending accreditation and affiliation matters processed by QCI and to ensure zero pendency, DGT constituted an Appellate Committee vide Order dated 01.04.2018. The petitioner was required to approach the said Appellate Committee for consideration of its pending case. However, despite being afforded such an opportunity, the petitioner failed to avail the appellate mechanism and did not file any application or appeal before the Committee. In view of the above facts, the petitioner's assertion that its shifting application bearing No. A16003925, submitted in the year 2016, is still	The matter was discussed in the SCAA meeting and based on the above facts and the submissions made by the ITI in its reply/representation, the SCAA decided that the petitioner institute is hereby de-affiliated with effect from the Academic Session 2026–27 in respect of all trades and units. Accordingly, the institute shall not be permitted to admit any trainees from the Academic Session 2026–27 onwards.

S.No	Remarks of 26 th SCAA and petitioner's reply	Remarks from DGT	32 nd SCAA Remarks
		pending is entirely false and devoid of merit. Accordingly, the said contention deserves to be rejected. The petitioner's further contention that the new address was uploaded on the NCVT/SIDH portal and that DGT failed to issue the affiliation order is equally baseless. It is submitted that the address reflected on the portal is updated only after issuance of a valid affiliation order. The portal does not generate or confer affiliation merely because an address is entered or reflected therein. Therefore, the petitioner's contention is factually incorrect and hereby rejected. It is further submitted that, after QCI ceased to function as the accrediting agency, DGT developed the NIMI portal in the year 2019 for inviting applications relating to affiliation, including applications for shifting of institutes. Since 2019, the portal has been opened periodically every year to facilitate submission of fresh applications. Despite having repeated opportunities, the petitioner failed to submit any fresh application for shifting through the NIMI portal. After a lapse of nearly seven years, the petitioner is now seeking recognition and continuation of affiliation at the new premises. Having failed to avail the statutory mechanism available from 2019 onwards despite repeated opportunities, the petitioner cannot now claim any prejudice or seek equitable relief. It is submitted that the existence of any dispute between the parties does not confer upon the petitioner any legal right to shift the institute to a new location without obtaining the mandatory approval prescribed under the Affiliation Norms. In view of above, it is established that the petitioner has shifted and running the institute without any affiliation which is a clear violation of the Affiliation norms 2018 clause 3.5.	
2.	Various Infrastructural deficiencies observed at new place such as machinery, ITI records etc.	The petitioner cannot be permitted to operate the institute at its own convenience without complying with the prescribed procedure for shifting	

S.No	Remarks of 26 th SCAA and petitioner's reply	Remarks from DGT	32 nd SCAA Remarks
	Petitioner's submission: The building completion certificate , layout plan, Electricity bills, Dead Stock register ,Raw Material Consumption Register, student records etc. all deficiencies observed during inspection has been complied.	and obtaining the requisite approval and affiliation from the competent authority. Further, the petitioner's unauthorized operation from the shifted premises poses a serious safety concern for the trainees who have been admitted and are either undergoing or are about to undergo training at the institute. Compliance with the prescribed affiliation and shifting norms is intended, inter alia, to ensure that the infrastructure and safety requirements of the institute are duly verified before trainees are permitted to receive training at the premises. Building Completion Certificate is in the name of the person which is not as per norms (as refereed in page 108 of the norms 2018). The attached layout plan is not signed which is not as per norms.
