10	Bengal	GR19000149	WB/D/1/2026/1446	Government IIT Kulpri running under PIP GR19000149	In reference to your letter dated 09.01.2025 regarding "De-affiliation of 3rd Shift Units which are not converted to Dual System of Training (DST) mode", your institute - Govt. IIT Kulpri running under PIP, NCVT Code GR19000149 - has been shown as de-affiliated for Fitter Trade (Sha3), Unit-1 and Electrician Trade (Sha3), Unit-1 in Annexure-B List of IITs de-affiliated which are non-DST in 3rd shift. In this regard, it is submitted that the said Fitter Trade (3rd Shift) and Electrician Trade (3rd Shift) were already affiliated under DST mode as per the affiliation order issued vide DST Order Reference No. DGT-AD/1151/1/2025-0 to DIR, (TC), Meeting Date: 22.09.2025. The affiliation document clearly indicates that the 3rd shift units of Fitter and Electrician were approved and recommended under DST mode. Therefore, the inclusion of Govt. IIT Kulpri (GR19000149) under the list of de-affiliated non-DST units appears to be incorrect and may have occurred due to a data mismatch or technical error. Since the above-mentioned units are already affiliated under DST mode, the de-affiliation order is not applicable in our case. It appears that DGT has initiated de-affiliation of all 3rd shift units of IITs that have not yet been converted in DST mode. 68	Telangana	PJ36000087	TG-D/3/2026/1477	VICTOR PRIVATE ITI PJ36000087	Respected Sir/Madam, With due respect, we submit this grievance regarding the de-affiliation of 3rd Shift units of Victor Private ITI, Karpur, Telangana (MIS Code: PU36000087). Our institute was originally granted affiliation for the Electrician trade with a total approved units of 24 (0+0+0), including 8 units in the 3rd Shift, as per DGT affiliation approval dated 31.05.2018. Subsequently, our institute applied for the conversion of 3rd Shift units into Dual System of Training (DST) mode. Accordingly, DGT granted DST approval vide Letter No. DGT-AIH(15)5/2020.0.0 DIR (TC), dated 23.12.2021. Out of the total units in the 3rd Shift, 4 units (0+0+0+0) had already received DST approval prior to the issuance of the de-affiliation order. The remaining units were intended to be converted through the one-offiliation process as per Affiliation Norms-2025. However, in the de-affiliation order dated 30.04.2026, 7 units have been shown as de-affiliated under non-DST category. This appears to be incorrect because, already approved 4 units (0+0+0+0) under DST mode were also included in the de-affiliation list. Therefore, inclusion of already approved DST units in the de-affiliation list may kindly be reviewed and corrected. 101	West Bengal	GR19000290	WBD1120261421	GOVERNMENT ITI KHARBARI RUNNING UNDER PTP GR19000290	I am writing this Grievance on behalf of Government ITI Kharbari (Running under PTP). My name is Arin Pal, and I am the Principal of the institute. I would like to register a grievance regarding a technical issue that has affected our upcoming admission cycle. In 2024, during the ITI admission portal data entry, an inadvertent error occurred on our part. For the Electronics Mechanic trade under the Dual System of Training (DST), the option for the 3rd Shift admission was mistakenly set to "No". Due to this unintentional oversight, we are unable to receive the student intake for the 3rd Shift of the Electronics Mechanic trade under DST for the current academic year, 2025. Therefore, it is my humble request to kindly overlook this unintentional mistake and allow us to restore the intake so that we can conduct admissions for the 3rd Shift of the Electronics Mechanic trade under the DST mode for the 2025 session. I request you to kindly take necessary action regarding this matter at the earliest. As per our records and previous approvals, we have two units each for the Fitter and Electrician trades in the 3rd shift, all of which were designated as DST (Dual System of Training) affiliated (DGT-AB011/15/8/2023-O-DR (TC) E-File No. E-7295).</p> <p>However, in the recent order copy (File No. DGT-Aff/19/2022-TC SECTION), we have observed that one unit from each trade is incorrectly listed under the NON-DST category. This classification does not align with our current operational framework and the affiliation we have maintained for these units.</p> <p>We earnestly request you to review our file and the relevant order copy to rectify this error and reissue the DST status for all four units (2 Fitter + 2 Electrician) in the 3rd shift.</p> <p>We are ready to provide any further documentation or clarification required to resolve this issue at the earliest.</p> <p>Thank you for your cooperation and prompt attention to this matter.</p> <p>Yours faithfully, Principal</p>	ALREADY AFFILIATED UNDER DST	Valid DST affiliation order is submitted	PR19000239_Electrician (NSQF)_3_1 PR19000239_Fitter (NSQF)_3_1	PR19000239_Electrician (NSQF)_3_1 PR19000239_Fitter (NSQF)_3_1	<p>De-affiliation for the units mentioned in column #9 may be with drawn and DST mapping may be carried out on portal for the units mentioned in column #9.</p> <p>The ITI shall be permitted to admit trainees for the Academic Session 2026 only in those trades/units where eligible instructors are duly mapped on the NIMS portal and the corresponding seats are reflected in the Dynamic Seat Matrix-2026. 123	West Bengal	PU1900001	WB/O/1/2026/912	ANJANEY PRIVATE ITI PU1900001	I am writing to bring a significant discrepancy to your attention regarding the affiliation status of our trades at Anjaney Private ITI. As per our records and previous approvals, we have two units each for the Fitter and Electrician trades in the 3rd shift, all of which were designated as DST (Dual System of Training) affiliated (DGT-AB011(35)S/2023-O/o DR (TC)). However, in the recent order copy (File No. DGT-Affilms/19/2022-TC SECTION), we have observed that one unit from each trade is incorrectly listed under the NON-DST category. This classification does not align with our current operational framework and the affiliation we have maintained for these units. We earnestly request you to review our file and the relevant order copy to rectify this error and restore the DST status for all four units (2 Fitter + 2 Electrician) in the 3rd shift. We are ready to provide any further documentation or clarification required to resolve this issue at the earliest. Thank you for your cooperation and prompt attention to this matter. Yours faithfully, Principal	ALREADY AFFILIATED UNDER DST	Valid DST affiliation order is submitted	PU1900001_Electrician (NSQF)_3_1 PU1900001_Fitter (NSQF)_3_1	PU1900001_Electrician (NSQF)_3_2 PU1900001_Fitter (NSQF)_3_1 NSQF_3_1		De-affiliation for the units mentioned in column #9 may be with drawn and DST mapping may be carried out on portal for the units mentioned in column #9. 127	West Bengal	PU1900031	WB/D/3/2026/1243	Kalyana Foundation PVT ITI PU1900031	Respected Sir/Madam, We would like to submit a formal grievance regarding the non-reflection of DST Affiliation status for Shift 3, Unit 1 of the Electrician (NSQF) and Fitter (NSQF) trades of Kalyana Foundation PVT ITI (PU1900031). Although we have already received the valid DST Affiliation Order and executed the required MoU, the portal/official records are still reflecting these shifts and units as "De-affiliated," which appears to be incorrect. Further, students have already been admitted in these shifts and units for the 2025-2027 session, and their PRNs have also been generated successfully. In this regard, we kindly request you to: • Verify our DST Affiliation Order and signed MoU at the earliest. • Contact and update the portal/official records to reflect the "DST Affiliated" status for the concerned shifts and units. Relevant supporting documents are enclosed herewith for your kind reference and necessary action. We shall be grateful for your prompt intervention in this matter.
